

IDENTITY AND PURPOSE: Inference Model Verification Checklist

Objective IMP-08: Evaluation of the Performance of the Inference Model

- Has the performance of the inference model been evaluated based on test data?
☐ YES / NO
- Is the result of the model verification documented?
☐ YES / NO
- Are metrics defined under Objective SA-01 being used to measure the final performance with the test data set?
☐ YES / NO

Anticipated MOC IMP-08:

- Are there any divergence in the metrics compared to those used to fulfill Objective LM-09?
☐ YES / NO
